SERVE THE WORD/WHY WE DO WHAT WE DO?

John teaches us some fundamental principles as to why we should serve the world, even attempt to answer some of the above raised questions (JOHN 3:16-17, Luke 22:27).

1. We should serve the world because God **loved** it so much that he gave His only Son to die for it. We should understand that, as true disciples of Christ, bringing love, patience, not boasting, not being proud, dishonoring others etc. as mentioned by apostle Paul in the 13 chapter of his letter to the first Corinthians are fundamental pre-requisites to serving the world.
 2. We should serve the world because God **valued it** to extent of accepting His only begotten son to die on the cross for the sins of those who are in the world and that whoever believes in Him shall not perish but have eternal life.
 3. His son did not come to **judge** the world but to be its savior.
 4. That everyone who believes in Him may not die but be **forgiven** and have **eternal life**
